Document ID: HR-POL-HLT-004

Version: 6.0

Effective Date: January 1, 2024

Policy Owner: Total Rewards & Employee Wellness

Classification: Internal / Public (Employees)

1. Purpose and Objective

The Company is committed to the health, safety, and well-being of its workforce. This policy outlines the comprehensive health insurance coverage, outpatient department (OPD) benefits, and wellness allowances provided to eligible employees and their dependents.

2. Scope and Applicability

This policy applies to all active, full-time permanent employees globally. Coverage initiates precisely on the employee's official Date of Joining (DOJ). Contractors, part-time employees (working fewer than 30 hours per week), and temporary interns are excluded from the Group Medical Coverage (GMC) plan.

3. Group Medical Coverage (GMC) Framework

3.1 Base Coverage Limits

The Company provides a 100% employer-subsidized family-floater health insurance policy through our primary Third-Party Administrator (TPA), *SecureHealth Partners*.

- **Default Cover Amount:** USD 50,000 (or localized equivalent) per family per policy year.
- **Room Rent Capping:** Up to 1% of the base sum insured per day for standard private rooms, and up to 2% per day for Intensive Care Unit (ICU) admissions.
- **Maternity Benefit:** Covered up to USD 5,000 for normal delivery and USD 7,500 for C-section, with a waiver of the standard 9-month waiting period.

3.2 Voluntary Top-Up Program

Employees have the option to enhance their family-floater coverage by purchasing a Super Top-Up plan via the HRMS portal.

- **Available Tiers:** USD 25,000 or USD 50,000 additional coverage.
- **Premium Payment:** Top-up premiums are heavily subsidized at corporate rates and will be deducted in three equal installments from the employee's monthly payroll.

4. Dependent Eligibility and Enrollment Rules

4.1 Definition of Eligible Dependents

An employee may enroll up to **five dependents** under the family floater plan:

1. **Spouse / Registered Domestic Partner:** (1 maximum)
2. **Dependent Children:** Up to 2 children, provided they are unmarried and under the age of 25.
3. **Parents OR Parents-in-Law:** Up to 2 individuals. Employees cannot cross-combine (e.g., one parent and one parent-in-law is not permitted).

4.2 Enrollment Deadlines (Strict Compliance)

- **New Hires:** Must complete dependent registration on the TPA portal within **30 calendar days** of their DOJ.
- **Life Events:** Additions due to marriage or the birth/adoption of a child must be registered within **30 calendar days** of the event, backed by legal documentation.
- **Penalty for Missed Deadlines:** Failure to register within the 30-day window will result in the dependents being locked out of coverage until the Annual Open Enrollment window in October.

5. OPD, Dental, and Wellness Allowance

Beyond inpatient hospitalization, the Company provides an annual wellness purse.

- **Annual Allowance:** USD 500 per employee per financial year.
- **Eligible Expenses:** Routine dental scaling/fillings, prescription eyewear or contact lenses, preventive full-body health checkups, and registered gym/fitness memberships.
- **Claim Process:** Expenses must be claimed via the Concur Expense System under the "Wellness" category. Unused wellness allowances do not carry forward to the next financial year.

6. Claims Processing and SLAs

1. **Cashless Hospitalization:** Employees must use the *SecureHealth* digital e-card at network hospitals. Pre-authorization must be sought 48 hours prior to planned surgeries, or within 24 hours of emergency admission.
2. **Reimbursement Claims:** For treatments at non-network hospitals, all original invoices, discharge summaries, and diagnostic reports must be submitted to the TPA desk within **15 days of discharge**. The standard SLA for reimbursement processing is 21 working days.
