

Global Organizational Hierarchy and Leadership Directory

Document ID: ORG-POL-STR-001
Version: 1.0
Effective Date: August 15, 2024
Policy Owner: Office of the CEO & Human Resources
Classification: Internal / Public (Employees)

1. Executive Leadership Team (C-Suite)

The Executive Leadership Team is responsible for setting the company's strategic vision, ensuring financial stability, and driving global operational excellence.

Role	Current Holder	Key Responsibilities
Chief Executive Officer (CEO)	Alexander Wright	Oversees overall corporate strategy, stakeholder communication, and final executive decision-making across all global entities.
Chief Human Resources Officer (CHRO)	Dr. Angela Vance	Directs global talent strategy, organizational culture, executive compensation, and enterprise-wide HR compliance.
Chief Financial Officer (CFO)	Michael T. Chang	Manages corporate finance, budget allocations, financial risk management, payroll administration, and investor relations.
Chief Information Officer (CIO)	Sarah Jenkins	Leads global IT infrastructure, cybersecurity protocols, enterprise software deployment, and hardware asset management.

2. Senior Management and Directors

This tier translates executive strategy into operational protocols, managing specific business units and ensuring departmental compliance.

Role	Current Holder	Key Responsibilities
------	----------------	----------------------

Role	Current Holder	Key Responsibilities
VP, Legal & Compliance	Samantha Wheeler	Mitigates legal risks, oversees the Internal Complaints Committee (ICC), and ensures regulatory compliance.
Director, Global Mobility	Elena Rostova	Manages cross-border employee transfers, visa sponsorships, and relocation assistance programs.
Director, Global Travel & Procurement	Marcus Vance	Oversees corporate travel platforms (Concur), travel budget caps, and vendor negotiations.
Manager, Total Rewards	David Kim	Administers employee benefits, leave policies, compensation adjustments, and learning/development allowances.

3. Departmental SPOCs and Helpdesks

For day-to-day inquiries, employees must route their requests to the designated departmental Single Point of Contact (SPOC) or shared inbox to ensure SLA tracking.

Department	Primary SPOC	Support Email ID
